The Barn celebrates its tenth anniversary

IT HARDLY seems possible that 10 years have already passed since The Barn was opened, but here we are a decade on and going from strength to strength.

To mark this happy anniversary, celebrations took place over the weekend of November 10 and 11, with visitors and people of Clevedon calling in to see some of the many activities and exhibitions arranged for this celebration.

Tributes were paid to the dedicated team of management committee and volunteers who have given their time and talent so freely for the benefit of others over all these years, without whom it couldn't have been achieved.

It is fitting therefore that we pay tribute to them all here, and say a very big thank you on behalf of the town, and say how much we appreciate them.

Pictured are Jade Poolman, Alex Horton Annie Smith and John Neal at the tenth anniversary celebrations.

A tree of memory

NICK Wring's death last year from a fall from the sea front was a terrible tragedy.

His family and friends wish to have Nick remembered by the town and as Christmas was his favourite time of year, they set up 'Wringy's Christmas Lights Appeal'.

As a result of some fantastic fund-raising, reaching a generous £3,200, they have bought a 15 foot illuminated Christmas Tree which will add to the town's Christmas lights at The Triangle.

Flower Power - Clevedon style 2006

DURING these very grey, short days it is not always easy to remember the bright floral displays of last summer, but Clevedon businesses scooped five prestigious awards in the North Somerset Flower Power awards, and at a presentation held in the Council House presentations were made.

The photograph shows representatives from just three of the winners: Brunel Engraving in Highdale Avenue; West End Post Office in Old Church Road and the Pier.

Entries were received from shops, guest houses and hotels, and attractions, throughout the whole district and although this has been running for two or three years, this is the first time Clevedon businesses entered.

Clevedon Town Council and the Chamber of Trade sponsored two classes which proved to be very popular, and we really hope that, encouraged by this year's success, more and more entries are received next year.

MAKING THE PLANNING SYSTEM SIMPLER, FASTER AND EASIER TO USE

From October 2007 the National Standard Planning Application Form (1APP) will become the only official method of submitting a planning application for most types of consent for all Local Planning Authorities in England. As well as speeding up the planning process it will also enable services and information to be provided online.
